PRESIDENTS REPORT – 3rd February

Hi All,

Well done to all those 22 athletes that travelled to St Helens for Gold Medal day. I hope you all enjoyed your day, had some fun and I know some of you even managed to bring home a gold medal or 2.

Thank you also to the parents for helping out on the day and participated in the 4 x 100m relay and 70m sprint. What fun we had. Already taking names for next year's relay, Sth Launceston have won both the men's and women's relay the last 15 years and Burnie need to take them down.

Sunday is the State Relay Championships in Hobart, good luck and safe travels to our 6 teams and 2 additional athletes travelling down.

Then there is the State Individual Championships which are approaching fast. Saturday 10th February is the last day to have all entries in and paid. Entry is \$8 per 2 qualifying events and \$7 per programme.

And finally our Centre Championships starting the 17th February. This would be the last chance before they begin to ensure athletes have their 25 event badge on and placed at the rear of the shirt and there is 3 sponsor badges on the front. If this is not the case, please enquire at the office.

Reminder to all age group coordinators that the documentation for each event must be handed in when the event finishes. This way the results for this event can be processed, printed and on display for a required period of 20 minutes before the medal presentation.

Presidents Report continued:

This year we are also having ribbon placings as well as medals. To do this these meets will take a little longer than in previous years and we will need to take a couple of intervals during competition to do presentations. Please be patient, as I feel very strongly about every athlete being acknowledged for their efforts in each event whether it is for a participation ribbon or a gold medal and I am sure every athlete will appreciate this as well.

To the sponsors of our age groups: **Wynyard Transport, Burnie Physiotherapy, Tas Valve, Ocean View Motel & Caravan Park, Coastal Electronics, Pathway Therapies, Dale and Stacey Hyland, and Scolyer Bros** thank you so much for your support and generosity.

Still available for sponsorship the U7, U9, and U10 boys. (**Filled as at publishing date—thank you—Ed.*)

COMMITTEE AIMS & EXPECTATIONS

The Committee's aim is to:

- Provide an enjoyable sport for your children.
- Provide a safe environment for athletes, parents, siblings and spectators.
- Teach and/or coach the correct manner in which to compete in each event.
- Organize each meet so it can be completed as efficiently as possible.
- Provide safe and compliant equipment to use.
- Keep costs down so that athletics is affordable to all.
- Provide an avenue to enter into senior athletics.
- Support all athletes of all abilities equally.
- Provide information from Tasmanian Little Athletics as soon as possible.
- Be aware of children with special needs, make allowances for them to compete & attain PB's.

We believe we do this as best as we can, but are always open to suggestions to make this centre even better than it already is.

The Committee's expectations from each parent are:

- Encourage your child, not criticize.
- Allow your child to have fun. We have all had our go at trying to be a super athlete, try not to live your life in their shoes.
- Stay and watch your kids. We are not a childcare centre, we host an event for your child to compete in, we provide a safe environment for this, and you are responsible for your child whilst they are on site.
- Emphasize PB's, not winning.
- Help out on site with the field events. This means measuring, spiking, raking or keeping the kids waiting patiently, quietly, together, and ensuring they are supportive to others competing.
- Have your turn in canteen or cooking on the barbecue.
- Pick up all rubbish that may be left behind by your group when leaving a site.
- Show respect to the person who is chief judging, they are doing their best & are a parent just like you.
- Have a Working with Children's Card up to date. (Working with Vulnerable People)
- If you take equipment from the cupboard please return it at the completion of the event.
- Should any equipment be broken, or poorly maintained report it to a committee member to allow prompt repair or replacement.
- Help when asked, if possible.
- The infield is out of bounds to everyone unless you are a crew member of an event. Please stay in the waiting areas as designated by the Chief Official.
- Always watch the apparatus being thrown, as sometimes a Discus, Shot Put or Javelin can be released in your direction by other athletes learning to perfect their throw, this is particularly important in Discus.
- When your child is entered in a state meet, our centre is responsible for providing qualified officials and event crew during this meet. For your child to compete, you will be required to assist at either field or track events. Even if your child has entered and doesn't compete on the day we are still required to do duties for this athlete so commitment once entered is paramount.

If we all work as a team and comply with this document our meets will run smoothly and be an enjoyable place to be for not only the parents but to also the athletes competing.

On behalf of myself and the committee thank you for your cooperation & assistance throughout the season.

Canteen & BBQ roster February 2018:

Thank you to Michelle Hingston, Scott Kidd and Mandy Walters.

As always thanks to Sam Lawler for BBQ duties, Sonya and Annette for canteen preparation.

There will be a schedule for canteen duty during championships, aiming at about 1 hour each for 3 shifts so we don't miss too many events for our children. Volunteer for your preferred spot :-)

If you think canteen might be your way to help the club into the future, come and see Sonya, Annette or Michelle the Pres. NatL—canteen rosterer person
