Good luck to the 44 athletes attending the State Individual Championships on March 10th and 11th. I know you will do Burnie proud. Thank you also to the parents at these state events for stepping up, taking on officiating roles and being crew members. Many hands make light work, my mum says.

Thank you to the parents for their cooperation throughout the 3 days of Championships, their support, helping out each week whether on the field or in the canteen and for bringing their children along to be part of this awesome centre.

Bowen Clemons in U11B Triple Jump with a jump of 9.38m

Chelsea Scolyer in the U12G discus with a throw of 31.20m.

Said goodbye to our U15's, they were:

Caleb Van Neutegem who has been a little ath at this centre for the last 3 years.

Liam Scolyer who has been a little athlete since he was an U8, the last 4 years here at this centre.

And Mitchell Davey who has been a little ath since he was an U6 with the last 7 years here at the centre.

We also say goodbye to Mitchell's parents Ron and Katrina Davey. They have also been at this centre for the last 7 years helping out, officiating doing what needs to be done to get the meet completed, with Ron receiving the Shane Heazlewood award last year. To Ron and Katrina we thank you for your support and contributions for all those years.

WE had 3 athletes that have competed from U6 to an U13 at the Burnie Centre and they were:

Bailey Bellchambers

Campbell Palmer

Jenna Saltmarsh

Gave out the U13 Les Charlesworth Award:

This was presented by Tamiaka Munday who won this award back in 1995 and after our chat, she also told me she won the State U13 Award and was the captain of the Tasmanian U13 team in the same year. This year this award was given to an U13 athlete who goes above and beyond at meets both here and state. This recipient has been at the centre for 7 years, helps out when they can, loves a good chat, has stepped up and helped out at warm ups, and attends the majority of state meets. They show good sportsmanship, have good manners and is a role model for both here at the centre and state events.

The winner was: James Frankcombe

And the Shane Heazlewood Award:

This is given to a parent who has been committed, supportive and contributed in many ways to the centre. Our recipient this year has been doing this since 2005, that's 13 years, helping out at sites, in the canteen, at state events and even had the Records and Rankings role for 4 years.

That parent was: Michelle Hingston

Lastly a big thank you to my awesome team "The Committee", Paul Bellchambers, Callie Collins, Dale Hyland, Carlene Darby, Jodie Fuller, Nat Luttrell, Anna & Sam Lawler, Peter French and Damien McCulloch. Couldn't do it without you all!!

COMMITTEE AIMS & EXPECTATIONS

The Committee's aim is to:

- Provide an enjoyable sport for your children.
- Provide a safe environment for athletes, parents, siblings and spectators.
- Teach and/or coach the correct manner in which to compete in each event.
- Organize each meet so it can be completed as efficiently as possible.
- Provide safe and compliant equipment to use.
- Keep costs down so that athletics is affordable to all.
- Provide an avenue to enter into senior athletics.
- Support all athletes of all abilities equally.
- Provide information from Tasmanian Little Athletics as soon as possible.
- Be aware of children with special needs, make allowances for them to compete & attain PB's.

We believe we do this as best as we can, but are always open to suggestions to make this centre even better than it already is.

The Committee's expectations from each parent are:

- Encourage your child, not criticize.
- Allow your child to have fun. We have all had our go at trying to be a super athlete, try not to live your life in their shoes.
- Stay and watch your kids. We are not a childcare centre, we host an event for your child to compete in, we provide a safe environment for this, and you are responsible for your child whilst they are on site.
- Emphasize PB's, not winning.
- Help out on site with the field events. This means measuring, spiking, raking or keeping the kids waiting patiently, quietly, together, and ensuring they are supportive to others competing.
- Have your turn in canteen or cooking on the barbecue.
- Pick up all rubbish that may be left behind by your group when leaving a site.
- Show respect to the person who is chief judging, they are doing their best & are a parent just like you.
- Have a Working with Children's Card up to date. (Working with Vulnerable People)
- If you take equipment from the cupboard please return it at the completion of the event.
- Should any equipment be broken, or poorly maintained report it to a committee member to allow prompt repair or replacement.
- Help when asked, if possible.
- The infield is out of bounds to everyone unless you are a crew member of an event. Please stay in the waiting areas as designated by the Chief Official.
- Always watch the apparatus being thrown, as sometimes a Discus, Shot Put or Javelin can be released in your direction by other athletes learning to perfect their throw, this is particularly important in Discus.
- When your child is entered in a state meet, our centre is responsible for providing qualified officials and event crew during this meet. For your child to compete, you will be required to assist at either field or track events. Even if your child has entered and doesn't compete on the day we are still required to do duties for this athlete so commitment once entered is paramount.

If we all work as a team and comply with this document our meets will run smoothly and be an enjoyable place to be for not only the parents but to also the athletes competing.

On behalf of myself and the committee thank you for your cooperation & assistance throughout the season.
